

NORTH DAKOTA DEPARTMENT OF HEALTH
PUBLIC NOTICE OF OPPORTUNITY TO COMMENT ON DRAFT PERMIT
FOR A SOLID WASTE MANAGEMENT FACILITY UNDER
THE NORTH DAKOTA SOLID WASTE MANAGEMENT RULES

FACILITY NAME: North Dakota Recycling Services, LLC – Permit 0365

APPLICANT: North Dakota Recycling Services, LLC
5426 134th Avenue Northwest
Williston, ND 58801

The Department recently received an "Application for a Solid Waste Management Permit" from North Dakota Recycling Services, LLC for a transfer station and resource recovery/processing facility to manage general solid waste materials and recyclable materials from oilfield companies in the Williston Basin. The operation will be located at 5426 134th Avenue Northwest, Williston, ND 58801. The legal coordinates are the N1/2 of the SW1/4 of Section 8, Township 154N, Range 100W of Williams County.

The facility is proposing to accept, manage and recycle wood, scrap metal, appliances, concrete, tires, aluminum, and other appropriate materials and waste collected as part of their routine waste collection business. The Department may allow other segregated waste such as used oil, chemicals, batteries, electronics, and special waste upon submittal and approval of appropriate plans. Any fluids or non-recyclable waste will be disposed in a manner approved by the Department. This permit does not authorize any disposal. Solid waste must be managed within an enclosed building and/or in appropriate containers. No waste or recyclable materials may be stockpiled outside of the building unless formally approved by the Department.

The Department believes that a permit which meets the requirements of the North Dakota Solid Waste Management Rules and is protective of human health and the environment can be issued to Renewable Resources, LLC and has prepared a Draft Permit for public review and comment.

PUBLIC COMMENTS AND HEARING

As required by Section 33-20-03.1-03 of the North Dakota Administrative Code, the Draft Permit will be available for public review and comment for thirty (30) days following publication of the Public Notice. The public comment period begins Tuesday, October 2, 2012 and ends Thursday, November 1, 2012. During that period any interested person may submit written comments and request a public hearing by stating the nature of the specific issues to be raised. A fifteen (15) day notice will be provided before any hearing is scheduled. The North Dakota Department of Health will consider all comments prior to taking any action on the permit. Comments, questions and written communication should be directed to:

Scott A. Radig, P.E., Director
North Dakota Department of Health
